

GREAT DEALS ON OXYGEN PROBES

SAVE £50 PER PROBE

We will beat your existing probe price by £50**
(Existing customers – take £50 off our current list price)

SAVE £100 PER PROBE

Eliminate the probe thermocouple by linking the furnace thermocouple to the carbon controller.

(We will provide the necessary technical guidance)

SET UP AN ANNUAL CONTRACT

For users with an installed base of four or more probes, we offer an annual probe contract to supply new/refurbished probes as required*.
